Hi all,  
We're looking forward to our meeting today at 3:00 to discuss MyFig partnership with the Figueroa area BIDs to raise awareness about the project.

Please confirm your attendance, so we know who to expect, and we will see you then.

We'll be in Planning-CH667 in a City Hall

Best,  
Colleen

Feature Photo: Streets are for people who walk, roll, bicycle, take transit and drive

### California Conversations: The Road Ahead

The Los Angeles Times hosted a transportation conference featuring Mayor Eric Garcetti and U.S. Transportation Secretary Anthony Foxx discussing the opportunities and challenges for our city and region. LADOT General Manager Seleta Reynolds participated in the panel 'L.A.'s Next Steps' with LA Metro CEO Phil Washington, Lyft Government Relations VP, Joseph Okpaku and board member of Fix the City and member of the Westwood Community Council, Dr. Laura Lake. Ms. Reynolds discussed safety as LADOT's guiding light - [Vision Zero](#) and more livable streets - [Great Streets Initiative](#)

### ITE Joint Meeting

On March 11, 2016, LADOT's Assistant General Manager Jay Kim will participate in an Institute of Transportation Engineers (ITE) meeting to discuss the future of Mobility Hubs that offer connectivity between various modes of transportation. This event will also focus on the Paradigm Shift of Our Transportation Industry, Big Data - How Can We Better Utilize Data Available, and What's Coming with the California Road Charge Pilot Program. Please [click here](#) for the event flyer.

### Now Appearing: Red, Yellow, Green

New traffic signals were installed at the intersection of 25<sup>th</sup> and Pacific Avenues in CD 11 and 130th and Figueroa Streets in CD 15. Kudos go to Transportation Engineers Crystal Killian, Mat Talag, Senior Transportation Engineer Mo Blorfroshan Adhami, and the entire project team.

**Safer Streets for Everyone !**

Today CD14 Councilmember José Huizar, LADOT's General Manager Seleta Reynolds and Metro Executive Director, Program Management, Richard Clarke held a press conference to highlight 15 new Leading Pedestrian Interval (LPI) signals recently installed in Downtown Los Angeles. LPI reduces conflicts between people using intersection crosswalks and turning vehicles and, lowers the incidences of having to yield the right-of-way to turning vehicles. These new safety enhancements were installed as part of construction on Metro's Regional Connector, giving pedestrians a four-second "head start" before vehicles are permitted to move. This improvement will emphasize the city's Vision Zero goal of zero fatalities by 2025. Read more [here](#).

### And the Oscar Goes to....

LADOT, along with our sister agencies, provided support to ensure the smooth operation of this year's 88<sup>th</sup> Academy Awards. Approximately 808 Temporary No Parking signs were installed along various routes. Kudos goes to Traffic Officers & Supervisors as well as dozens of Special Traffic Operations personnel.

### CicLAvia is Back!

[CicLAvia](#) returns to the San Fernando Valley on Sunday, March 6, opening up four miles of car-free streets in Pacoima, Arleta, North Hills East and Panorama City from 9 a.m. to 4 p.m.

This will be the 16<sup>th</sup> installment of CicLAvia, and will feature family focused activities along the route. CicLAvia – The Valley participants will have the opportunity to experience the northeast Valley's rich culture, history and local businesses. People from across the region are invited to explore the open streets on their bikes, feet, rollerblades or wheelchairs.

**Subject:** DTLAFWD invite draft email to Organizations

Good afternoon,

Councilmember Huizar would like to invite you to the formal launch of his new initiative DTLA Forward. The event will be on **March 23rd at 9am at Spring St Park in Downtown Los Angeles.**

During this press event, the Councilmember will address four separate motions that were introduced as part of this new initiative,

### **1. Reconfiguration of Downtown Streets**

- The Councilmember wants to take a look at the circulation in Downtown and possible reconfiguration of streets on a holistic level to determine the best options moving forward that would increase walkability and connectivity. We will be announcing the reconfiguration of Main St and Spring St.

### **2. Green Alley program for DTLA**

- This will be a report from the Department of Planning giving us options on how to streamline the process of implementing green alleys throughout Downtown.

### **3. Implementation of a new Street Tree palette for South Park**

- Our office, the South Park BID, Planning department and Urban Forestry have been working on an updated tree palette for the south Park community that better reflects the feel and aesthetics of South Park.

### **4. Leading pedestrian Intervals**

- The City recently announced the implementation of Leading Pedestrian intervals throughout the Civic Center and Historic Core and this report will highlight the future of LPIs throughout Downtown.

As an integral part of our DTLA Forward initiative, we would love to have you and/or your organization present during this exciting event. Please let me know if you will be able to attend.

Best  
Diana

**Sent:** Friday, March 04, 2016 4:24 PM  
**To:** Dalia Cuiriz  
**Subject:** Why I voted for the DWP rate increase

Dalia --

This week, the Los Angeles City Council voted 12-2 to give preliminary approval to the first increase in water and power base rates in years.

This was a difficult decision for me, but in the end I knew my yes vote would help the Los Angeles Department of Water and Power (LADWP) better serve our communities. We want to see the Department function properly, have the resources available to maintain infrastructure, implement new technologies, and conserve water and energy.

Since I took office in July of 2013, constituents have dealt with numerous water main breaks, power outages, and system failures. Oftentimes these issues created an inconvenience for local residents as crews worked around the clock to make repairs and restore service. I think it is also worth pointing out that in addition to this work, the Department has been a partner on several community improvement projects, such as installing numerous utility lights to illuminate dark streets and enhance public safety, and upgrading underground vaults in Silver Lake to help prevent power outages during the warmer months. These are just a few of the ways the department is working for the ratepayers.

Long term, I want to make sure the increase goes to fix our infrastructure. As it relates to the LADWP, governance reform must be the immediate next step. If you have any questions about the rate increase, please reach out to the Los Angeles Department of Water and Power at 1-800-DIAL-DWP, and for information on financial assistance programs, [please see this link](#).

Warm regards,

Mitch O'Farrell

## **WALKING IN LA: O'FARRELL, SILVER LAKE COMMUNITY CELEBRATE NEWLY INSTALLED SIGNAL AND CROSSWALK**

SILVER LAKE - Los Angeles City Councilmember Mitch O'Farrell, the Department of Transportation, and local residents celebrated a newly installed traffic signal at Edgecliff Street and Sunset Boulevard, at Sunset Triangle Plaza. The new infrastructure and crosswalk, which marks the 8th signal installation since the Councilmember took office in 2013, will make for safer pedestrian access on either side of this commercial corridor.

[SEE MORE PHOTOS OF PEDESTRIAN SAFETY IMPROVEMENTS IN THE 13TH DISTRICT](#)

---

**TEAM MITCH MAKING A DIFFERENCE**

SILVER LAKE - The CD13 Clean Team pitches in to perform regular maintenance in our communities. Once a month, our crews clean the southwest corner of Sunset Boulevard and Benton Way, including the nearby N. LaFayette Park Place incline. Keeping our communities clean and safe is one of the Councilmember's top priorities, and he needs your help in reporting issues in your neighborhood. If you see an area that needs attention, please call Sylvan De La Cruz in the Echo Park District Office at 213-207-3015.

#### **O'FARRELL, DEPARTMENT OF NEIGHBORHOOD EMPOWERMENT ANNOUNCE NEIGHBORHOOD COUNCIL ELECTIONS**

CITY HALL - Los Angeles City Councilmember Mitch O'Farrell, along with the Department of Neighborhood Empowerment, announced candidate eligibility requirements and election dates for all Neighborhood Councils in the great 13th District.

"I started my career in public service in the 1990's as a grassroots activist, collaborating with my neighbors and the City Council office to better our communities," said Councilmember O'Farrell. "I encourage you to get involved, cast your vote, and participate in the democratic process. The neighborhood councils can provide constituents with an opportunity to become better acquainted with issues, as well as become familiar with city government and how it works."

The Department has set several key dates for elections. Click on the link below for further information.

#### **O'FARRELL, DEPARTMENT OF NEIGHBORHOOD EMPOWERMENT ANNOUNCE NEIGHBORHOOD COUNCIL ELECTIONS**

CITY HALL - Los Angeles City Councilmember Mitch O'Farrell, along with the Department of Neighborhood Empowerment, announced candidate eligibility requirements and election dates for all Neighborhood Councils in the great 13th District.

"I started my career in public service in the 1990's as a grassroots activist, collaborating with my neighbors and the City Council office to better our communities," said Councilmember O'Farrell. "I encourage you to get involved, cast your vote, and participate in the democratic process. The neighborhood councils can provide constituents with an opportunity to become better acquainted with issues, as well as become familiar with city government and how it works."

The Department has set several key dates for elections. Click on the link below for further information.

**Subject:** Why I voted for the DWP rate increase

Jeff --

This week, the Los Angeles City Council voted 12-2 to give preliminary approval to the first increase in water and power base rates in years.

This was a difficult decision for me, but in the end I knew my yes vote would help the Los Angeles Department of Water and Power (LADWP) better serve our communities. We want to see the Department function properly, have the resources available to maintain infrastructure, implement new technologies, and conserve water and energy.

Since I took office in July of 2013, constituents have dealt with numerous water main breaks, power outages, and system failures. Oftentimes these issues created an inconvenience for local residents as crews worked around the clock to make repairs and restore service. I think it is also worth pointing out that in addition to this work, the Department has been a partner on several community improvement projects, such as installing numerous utility lights to illuminate dark streets and enhance public safety, and upgrading underground vaults in Silver Lake to help prevent power outages during the warmer months. These are just a few of the ways the department is working for the ratepayers.

Long term, I want to make sure the increase goes to fix our infrastructure. As it relates to the LADWP, governance reform must be the immediate next step. If you have any questions about the rate increase, please reach out to the Los Angeles Department of Water and Power at 1-800-DIAL-DWP, and for information on financial assistance programs, [please see this link](#).

Warm regards,

Mitch O'Farrell

## **WALKING IN LA: O'FARRELL, SILVER LAKE COMMUNITY CELEBRATE NEWLY INSTALLED SIGNAL AND CROSSWALK**

SILVER LAKE - Los Angeles City Councilmember Mitch O'Farrell, the Department of Transportation, and local residents celebrated a newly installed traffic signal at Edgecliff Street and Sunset Boulevard, at Sunset Triangle Plaza. The new infrastructure and crosswalk, which marks the 8th signal installation since the Councilmember took office in 2013, will make for safer pedestrian access on either side of this commercial corridor.

**TEAM MITCH MAKING A DIFFERENCE**

SILVER LAKE - The CD13 Clean Team pitches in to perform regular maintenance in our communities. Once a month, our crews clean the southwest corner of Sunset Boulevard and Benton Way, including the nearby N. LaFayette Park Place incline. Keeping our communities clean and safe is one of the Councilmember's top priorities, and he needs your help in reporting issues in your neighborhood. If you see an area that needs attention, please call Sylvan De La Cruz in the Echo Park District Office at 213-207-3015.

**COUNCILMEMBER IN YOUR CORNER CONNECTS RESIDENTS WITH CITY HALL**

GLASSELL PARK - Dozens of residents turned out for Councilmember O'Farrell's monthly community walk and outreach event. The Councilmember partnered with three local organizations to host the event: the Glassell Park Improvement Association, the Central City Action Committee, and the Los Angeles Beautification Team. Volunteers participated in a neighborhood cleanup, watered more than a 140 newly planted trees along Fletcher Drive and San Fernando Road, and removed graffiti.

Metro Customer Service Center at Vermont and Wilshire. | Photo: Metro

Dear Friend:

The San Fernando Valley is a large, diverse and populous place. Our Valley makes up 260 square miles of Los Angeles County, and one in every five county residents lives in the Valley.

Hundreds of thousands of those people take public transportation daily to get to around. Riders are students, working parents and people from all walks of life. No longer is the Valley a place where people only drive to go from place to place -- they walk, bike, ride rail and take the bus too. The Metro Orange Line is the most popular Bus Rapid Transit line in North America, and the North Hollywood Red Line rail station is the third busiest in our countywide system.

Yet, the Valley is missing a critical transit component: we lack a brick-and-mortar Metro customer service center where riders can conduct business and get information in person. Valley customers currently must travel to Union Station, East LA or South and Southeastern parts of the county to reach a service center. This just doesn't cut it, especially for working families and students who are transit-dependent.

Metro customer service centers offer a variety of services to riders. You can get timetables, plan your trip, provide feedback and purchase TAP cards, which you need in order to take advantage of the free two-hour transfers. It's also where you go to submit applications for reduced fare TAP cards, like those available to students, seniors and people with disabilities.

I'm happy to report that, just last week, the Metro Board unanimously adopted the motion I put forward with Supervisors Kuehl and Antonovich to study bringing a customer service center to the San Fernando Valley. Metro staff will now begin assessing what needs to be done to create a conveniently located customer service center in the Valley and then will report on the timeline for getting it done. We also instructed Metro to look at using an additional mobile customer service center to help riders in different Valley locations.

It's important for Valley residents to be able to have easy, in-person access to the Metro services they need. We are now one step closer to making that happen. I'll keep you updated about the progress of the Valley's customer service center in the months ahead.

&nbsp;

If you have additional ideas about how to improve Valley transit services, please email me at [paul.krekorian@lacity.org](mailto:paul.krekorian@lacity.org) or call 213-473-7002.

Very truly yours,

Councilmember Paul Krekorian, District 2

## TOP STORIES

### City's Fiscal Outlook Shows Economic Progress

LOS ANGELES - The latest report on the city's coffers projects steady growth for LA's economy through the 2016-2017 fiscal year.

This week, city officials reported to the Budget and Finance Committee and the full City Council that total revenues for fiscal year 2016-2017 are projected to be \$5.391 billion, \$150.3 million more than the Controller's estimates for the current year. Sales tax revenues are estimated to increase 24.9 percent over the prior year. This is good news for city residents and budget-watchers. With next year's budget process on the horizon, Councilmember Krekorian will continue to assess the city's financial state as he considers budget priorities for the year ahead.

---

### **City Council Approves DWP Rate Proposal: 'An Investment in the Future'**

LOS ANGELES - This week, the City Council voted to approve LADWP's proposal to modestly increase utility rates in order to invest in the future of LA's water and energy infrastructure.

After months of community hearings, informational meetings and more than 80 presentations across Los Angeles, the DWP recommended a five-year rate-change plan for residential customers who will see, on average, a three percent annual increase to their monthly bills. The plan won support from the DWP Commission, the Ratepayer Advocate, Mayor Eric Garcetti and numerous business and stakeholder groups.

The plan will put more than \$1 billion toward replacing a badly aging water system and improve LA's power grid. The plan will also increase system reliability, create jobs, protect LA from drought, help the city meet its clean energy goals, improve customer service and boost programs that save ratepayers' money on their bills.

Valley residents received a dramatic wake up call on the need for infrastructure investment seven years ago when the intersection of Coldwater Canyon Avenue and Ventura Boulevard exploded. A 62-inch water main, which was one of the city's main sources of drinking water, blew up, flooding the intersection and destroying nearby homes and businesses.

The water main behind the chaos was a 100-year-old pipeline originally laid in 1914 by William Mullholand, the father of LA's water supply infrastructure. Councilmember Krekorian, whose district was devastated by the event, expressed his support for the rate proposal:

"Anybody who thinks this utility can continue to function, and serve our ratepayers and the business community without investing heavily in its power and water infrastructure is living in a fantasy world," said Krekorian. "We would be doing a disservice to our community if we don't allow this utility to start investing in the things that we know we must invest in right now. This is a necessary investment that will benefit our communities today and in the future."

In 2013, LADWP began its trunk line replacement project in the East Valley. Councilmember Krekorian toured the site where a cross section of the city's century old water main was being prepped for replacement. | Photo: CD2

## CITY SPOTLIGHT

### City 2.0: Departments Launch User-Friendly Websites

LA Dept. of Building and Safety's new website.

LOS ANGELES - This month, the LA Department of Building and Safety, the Bureau of Sanitation, and My LA 311 launched new websites to help Angelenos better navigate city services.

The sites feature user-friendly, modern designs that display easy-to-navigate information whether you're on a computer, tablet or smartphone. The redesigned search features help users find information quickly, while the simple service request options make it quick for residents to access city services.

## NoHo Cinefest Rolls Out the Red Carpet

NORTH HOLLYWOOD - The third annual North Hollywood Cinefest announced its 2016 film program, which will showcase 90 films during the week-long event.

The event will run from March 18 - 24 at the Laemmle's NoHo 7 in the Arts District. This year's festival will kick off with the premier of "The Lost Tree," directed by Brian Metcalf, which follows the story of a man struggling with his past.

The seven-day fest will also showcase a special program focused on highlighting films directed by women during its March 22 line-up.

The NoHo Cinefest is a opportunity to view works of both local and international filmmakers. The festival was founded by Gustavo Sampaio, an award-winning editor and TV producer, independent filmmaker and North Hollywood resident.

For more information about the festival and how to buy tickets, visit [www.nohocinefest.com](http://www.nohocinefest.com).

Yvette,

Good afternoon! I wanted to see about putting our 10<sup>th</sup> Annual Dog Day Afternoon on Councilmember Huizar's calendar. We would love to have him speak at this year's event. I know he wasn't available last year so I wanted to give you as much notice as possible.

This year's event is on Wednesday, July 13 from 6-9pm at the Cathedral of Our Lady of the Angels. If you need anything else, please let me know.

To: Business Improvement District (BID) Contacts

From: Iris Fagar-Awakuni, BID Liaison

Subject: LA City Planning BID Case report

Attached is the Planning Department's bi-weekly Early Notification Report for Business Improvement Districts (BID's). The purpose of this report is to provide BID's with the earliest possible information about all applications for planning entitlements that have been filed in your BID area, even though not all applications are complete and some cases may eventually be withdrawn. Included in the report is contact information about the applicant so your BID can obtain more information about the project very early in the process. A separate report is shown for each BID. You will see that the report is provided in PDF and Excel formats.

The information in the report is sorted by BID. If there are any questions, please contact Iris Fagar-Awakuni at (213) 978-1249 or [Iris.Fagar-Awakuni@lacity.org](mailto:Iris.Fagar-Awakuni@lacity.org).

**Subject:** DTLAFWD invite draft email to Organizations

Good afternoon,

Councilmember Huizar would like to invite you to the formal launch of his new initiative DTLA Forward. The event will be on **March 23rd at 9am at Spring St Park in Downtown Los Angeles.**

During this press event, the Councilmember will address four separate motions that were introduced as part of this new initiative,

### **1. Reconfiguration of Downtown Streets**

- The Councilmember wants to take a look at the circulation in Downtown and possible reconfiguration of streets on a holistic level to determine the best options moving forward that would increase walkability and connectivity. We will be announcing the reconfiguration of Main St and Spring St.

### **2. Green Alley program for DTLA**

- This will be a report from the Department of Planning giving us options on how to streamline the process of implementing green alleys throughout Downtown.

### 3. Implementation of a new Street Tree palette for South Park

- Our office, the South Park BID, Planning department and Urban Forestry have been working on an updated tree palette for the south Park community that better reflects the feel and aesthetics of South Park.

### 4. Leading pedestrian Intervals

- The City recently announced the implementation of Leading Pedestrian intervals throughout the Civic Center and Historic Core and this report will highlight the future of LPIs throughout Downtown.

As an integral part of our DTLA Forward initiative, we would love to have you and/or your organization present during this exciting event. Please let me know if you will be able to attend.

Best  
Diana

<DTLA Creative Capital - Project Brief - INTERNAL - revised.pdf>

<DTLA - Creative Capital - report outline.pdf>

**From:** Bryan Eck <bryan.eck@lacity.org>  
**Sent:** Tuesday, March 08, 2016 4:30 PM  
**Subject:** DTLA 2040 - Planning a Dynamic Future for Downtown Los Angeles  
**Attachments:** recode LA - DTLA 2040 Regional Forums.pdf

The Los Angeles Department of City Planning is announcing *DTLA 2040*.

## **INTRODUCING DTLA 2040**

The Department has launched a new project website at [DTLA2040.org](http://DTLA2040.org) to serve as your resource for all news related to the **Downtown Community Plan Updates**. Here you can find information about Downtown, the Plan Update process and objectives, related initiatives such as [re:code LA](http://re.code LA) and public outreach events. Finally, this site is a portal for the Department to hear from you.

**DTLA 2040** – *the update to the Central City & Central City North Community Plans and implementation through the re:code LA's new Downtown Zoning Code* - will consider Downtown as we experience it today, but more importantly, will look forward to the Downtown of 2040.

**The ambition of DTLA 2040 is to create and implement a collective vision for Downtown's future.** The Plan will include goals, policies, and programs that frame the City's long-term priorities.

Please share with anyone you know is interested in the future of Downtown Los Angeles!

## **PUBLIC OUTREACH**

Public outreach will be a key component of the DTLA 2040 work program over the course of the next year. **The Department of City Planning with host a workshop on Wednesday, March 16th between 6:00 PM - 9:00 PM at the Metro Headquarters** (view attached flyer). The Department will be gathering input on the Plan's core principles and strategies that use be used to develop preliminary plan concepts that will be implemented by the new Downtown Zoning Code. There will be interactive stations where you can get project details, mark up maps with your thoughts, ask questions, and tell us what you think! An overview presentation will be given near the beginning and will be repeated at the midpoint of the workshop.

The March 16th workshop is the first of 7 regional forums to gather input on the Citywide [re:code LA](http://re.code LA) Initiative. DTLA 2040 will have a significant presence at the March 16<sup>th</sup> event, and will also be featured in the following 6 forums, which will take place in varying geographic regions of the City.

We hope that you will participate in DTLA 2040 and that you will join us on March 16<sup>th</sup>!

An overview presentation will be given near the beginning and will be repeated at the midpoint of the workshop.

The March 16th workshop is the first of 7 regional forums to gather input on the Citywide [re:code LA](http://re.code LA) Initiative. DTLA 2040 will have a significant presence at the March 16<sup>th</sup> event, and will also be featured in the following 6 forums, which will take place in varying geographic regions of the City.

We hope that you will participate in DTLA 2040 and that you will join us on March 16<sup>th</sup>!

**[DTLA 2040. Planning a dynamic future for Downtown Los Angeles.](#)**

Diana,  
from what  
I can see  
on 7th  
street the  
outage is

from Olive  
all the way  
to the  
metro  
station  
past  
Hope.

On Grand  
it looks  
like from  
at least as  
far north  
as 5th and  
as far  
south as  
9th. I can't  
see much  
further  
than that.  
The new  
street  
lights  
installed in  
front of  
Whole  
Foods are  
working.

Thank you

**Subject:** Re: APNs 5148-001-024 and 5148-001-027

Herman,

Did you ever get an answer to this?

What do you think can be done?

What can or should we do?

On Thu, Feb 18, 2016 at 2:21 PM, Herman Pang <[hpang@downtownla.com](mailto:hpang@downtownla.com)> wrote:  
Hi Guys,

Just reviewing a report that we received back from the assessor's office that we run every year to determine the property value of properties in our bid. While processing this report they informed us that some parcels have combined which is normal. Here's the issue APN's 5148-001-024 and 5148-001-027 were combined on 7/19/2015 to form 5148-001-028 per the assessor's site

[http://maps.assessor.lacounty.gov/GVH\\_2\\_2/Index.html?](http://maps.assessor.lacounty.gov/GVH_2_2/Index.html?)

[configBase=http://maps.assessor.lacounty.gov/Geocortex/Essentials/REST/sites/PAIS/viewers/PAIS\\_hv/virtualdirectory/Resources/Config/Default](http://maps.assessor.lacounty.gov/Geocortex/Essentials/REST/sites/PAIS/viewers/PAIS_hv/virtualdirectory/Resources/Config/Default)

The problem is 5148-001-024 (not in our District) and 5148-001-027 are not adjacent to one another and to make things even more interesting the new parcel 5148-001-028 splits on 12/13/2015 into 3 new parcels 5148-001-029, 5148-001-030 and 5148-001-031 with half of the parcel residing outside of our district (the new parcels are showing up on a parcel map dated June 2015 as well as on Zimas).

Your thoughts?

Good Morning,

We do maintain these pedestrian walkway lights, even though they are not in our system. At this time we are working on the elevated walkway at 3rd and Figueroa. That walkway had 300 vandalized units, which has taken our crew over three months to restore to service, as we have to fabricate new glassware and rebuild destroyed light fixtures. Once that one is completed, we will move onto this one at 5th and Flower.

On Tue, Mar 8, 2016 at 4:01 PM, Herman Pang <[hpang@downtownla.com](mailto:hpang@downtownla.com)> wrote:  
Hello Chris,

I am trying to assist one of our property owners in getting some light bulbs on a pedestrian bridge #53C1907 replaced the bridge is located on Flower St 180 feet north of 5<sup>th</sup> St in Downtown Los Angeles. The bridge is listed with the Bureau of Engineering as one of the bridged that they maintain

[http://eng.lacity.org/techdocs/technical\\_papers/bridgereport/Bridge\\_Inventory\\_graphs\\_07\\_28\\_02.pdf](http://eng.lacity.org/techdocs/technical_papers/bridgereport/Bridge_Inventory_graphs_07_28_02.pdf)

Was not able to locate the bridge on the Bureau of Street Lighting site for reporting lights that are out.

Any assistance would be greatly appreciated.

Thanks Marie! It's actually street lighting I don't think DWP can do much. But street lighting responds very quickly so hopefully they can make sure something like this doesn't happen again. I'm sure due to the storms it's been tough keeping up with all the street light outages.

Best  
Diana

Diana,  
from what  
I can see  
on 7th  
street the  
outage is  
from Olive  
all the way  
to the  
metro  
station  
past  
Hope.

On Grand  
it looks  
like from  
at least as  
far north  
as 5th and  
as far  
south as  
9th. I can't  
see much  
further  
than that.  
The new  
street  
lights

installed in  
front of  
Whole  
Foods are  
working.

Thank you

tonight  
if  
possible.  
There  
is  
a  
major  
street  
light  
outage  
in  
front  
of  
Bottega  
Louie  
on  
7th  
St.  
Lights  
are  
out  
on  
Grand,  
too.  
The  
outage  
ends  
far  
down  
7th  
St

,  
perhaps  
to  
Olive  
St.

Is  
it  
possible  
for  
you  
get  
Street  
Lighting  
out  
tonight  
to  
determine  
the  
extent  
of  
the  
outage  
and  
hopefully  
fix  
it?  
We  
can't  
afford  
to  
compromise  
public  
safety  
on  
this  
vital  
corridor.

### Stay Connected

The Los Angeles Department of Transportation recognizes the importance of connecting with residents, businesses, and visitors through a variety of platforms. We deploy multiple social media platforms throughout the year to connect with our employees and stakeholders such as Facebook, Instagram, Twitter and YouTube. These platforms are used for emergency notification alerts, to share breaking news, promote community based activities, and share valuable information about our services. Please follow us to stay informed about LADOT's latest news and events:

### New Sergeants

Last Friday, Chief Greg Savelli, Deputy Chief Brian Hale, Chief of Staff Bridget Smith and General Manager Seleta Reynolds recognized eight new Parking Enforcement and Traffic Control Sergeants who were promoted for their outstanding performance. Congratulations to John Wilson, Danielle Pickens, Leia Griffin, Daphany Robison, Gerardo Cervantes, Phyrith Reth, Ron Haywood, and Rafael A. Garcia.

### Great Streets Are Happening

Mayor Eric Garcetti announced a series of city events that will transform local streets into vibrant public spaces with cultural programming and temporary pedestrian-friendly road and sidewalk improvements. Here are future Great Streets events across the city.

[March 12: Cesar Chavez Ave](#)

[March 19: Figueroa Street](#)

### Who We Are Series

**Accountability, Honesty & Respect**

As an accounting Clerk II, Rey Guilles is responsible for collecting deposits from sponsors of special events where the city needs to be fully reimbursed for labor costs of traffic officers assigned to help control the flow of traffic. Rey maintains a professional demeanor even under stress and establishes rapport with people that he deals with. He takes great pride in providing the upmost customer service to our constituents. No matter what the situation is, Rey never make promises to customers that he can't keep.

"I deliver on promises made to customers and never use excuses when I cannot accomplish what is expected. I take responsibility for my actions." He has also been recognized for his perfect attendance for the last ten years. Rey makes Team LADOT shine brighter everyday.

### Thumbs Up for New Traffic Signals

LADOT's East Valley District Transportation Engineer Steve Rostam, ATSAC construction engineers and field crew members joined CD2 Councilmember Paul Krekorian and representatives from Roscoe Elementary School, to celebrate the installation of a new traffic signal at the intersection of Cleon Ave, Strathern & White Sts. East Valley Senior Transportation Engineer Brian Gallagher initiated the traffic signal study at the intersection due to a high volume of children crossing Strathern St. to reach the school.

Last Week, CD13 Councilmember Mitch O' Farrell was joined by Senior Transportation Engineer Manoochehr Adhami and Transportation Engineers Jeannie Shen and Mat Talag to celebrate installation of a new traffic signal at the intersection of Edgecliff Dr. and Sunset Blvd.

### Parking Violations Bureau Customer Service Web Portal

The LADOT Parking Violations Bureau (PVB) website is pleased to offer the public a fast, easy and intuitive means of accessing their parking violation information along with the ability to set up notifications, and access other parking related web services. The new web application provides the public with greater access to their personal parking data -- allowing motorists to setup secured user accounts, and receive email notifications about delinquent parking citations. To enroll in an account, log-in to: [http://www.lacity-parking.org/laopm/pvb\\_home.html](http://www.lacity-parking.org/laopm/pvb_home.html) and click on "My Portal" to create your personal account.

## Video: Mobility Minute #2, Curb Maintenance

LADOT's new video series highlights how our team assists city stakeholders by providing essential services and responding to requests in a timely manner. Our goal is to deliver excellent customer service and this series will demonstrate that commitment. This week, visit with another satisfied customer as LADOT engineers and field crew members repaint curb markings in South Los Angeles. View video [here](#).

Danielle,

Attached are two items – both internal working documents:

- 1) **DTLA: Creative Capital** project brief
- 2) **DTLA: Creative Capital** report outline

I'd like to arrange a meeting to discuss in more detail and determine how DCA might participate. Let me know if you've got some time.

Thanks.

Nick

Hello Danielle

If you have not yet had the pleasure, I wanted to introduce you to Nick Griffin.

He is leading the initiative with the DCBID to create a report about the cultural vibrancy of DTLA.

I have attached a project brief.

Nick wanted to reach out to ensure DCA was a part! I will let you both take it from here-

Best-

**Parking Violations Bureau (PVB) Customer Service Web Portal Info**

The LADOT Parking Violations Bureau (PVB) wants to remind the public of a fast, easy and intuitive means of accessing their parking violation information along with the ability to set up notifications, and access other parking related web services. Available Customer Service Web Portal services include: Personalized Parking Customer Accounts, Reviewing Parking Citation Details, Parking Citation Pay-by-Web, as well as provides links to Submit Requests to Contest Citations, Renew Residential Parking Permit and Purchase Guest Permits.

The LADOT PVB Customer Service Web Portal allows you to navigate through the web transactions with ease and flexibility. In addition to providing customers with program data and access to an Internet payment facility, our Internet solution enables individuals to view parking citation data, including violation descriptions, issuance dates, locations, and total amount due via the Web.

This web application provides the public with greater access to their personal parking data -- allowing motorists to setup secured user accounts, and receive email notifications about delinquent parking citations.

To enroll in an account, log-in to: [http://www.lacity-parking.org/laopm/pvb\\_home.html](http://www.lacity-parking.org/laopm/pvb_home.html) Click on "My Portal" (bottom right portion of the landing page) and you will be directed to the log-in to create an account.

Hello Danielle,

A pleasure to make your e-quaintance – I've heard lots of great stuff about you. And I'd love to get together to tell you more about our initiative and learn all about what you are doing at DCA and explore the various opportunities I imagine there will be to collaborate.

Let me know what your schedule looks like over the next week or so.

Thanks!

Nick

Hello Danielle

If you have not yet had the pleasure, I wanted to introduce you to Nick Griffin.

He is leading the initiative with the DCBID to create a report about the cultural vibrancy of DTLA.

I have attached a project brief.

Nick wanted to reach out to ensure DCA was a part! I will let you both take it from here-

Best-

Our DCBID patrol let us know that the lights were not on last night. This morning we contacted Martin Bridge, the DWP operator responsible for receiving calls for service and dispatching the repair crews. They did send a crew out yesterday and found one of the electrical vaults had shorted out. The repairs were made and they assumed that the problem was resolved. Martin then dispatched another crew out today who located an additional issue on 7th. They believe it is repaired this time but we will monitor.

Diana,  
from what  
I can see  
on 7th  
street the

outage is  
from Olive  
all the way  
to the  
metro  
station  
past  
Hope.

On Grand  
it looks  
like from  
at least as  
far north  
as 5th and  
as far  
south as  
9th. I can't  
see much  
further  
than that.  
The new  
street  
lights  
installed in  
front of  
Whole  
Foods are  
working.

Dear Sponsors and Guest,

Please join us on Wednesday, April 6, 2016 for the Pershing Square Award Party. This year's party will be held at the **Little Easy** a new Downtown club located a few block east of Pershing Square on 5th Street. Guest are welcome to park at the Pershing Square Garage the day of the party. Shuttle vans will be available to transport our guest to the party location between 4 & 5 pm. Please bring your parking ticket to the party and staff will validate it. There are many folks to be recognized this year, new sponsors to meet and as usual a splendid time is guaranteed for all. Please see your invitation below and attached.

We look forward to seeing you at the party.

**Subject:** Broadway Committee Revamp - Time & Date Survey (please reply)

Hi there,

You are receiving this because you are, have been, or have said you want to be, involved with a Bringing Back Broadway committee. We're in the process of revamping the committee schedule for this year, and need feedback from those who wish to be involved on the best date / time for regular meetings.

THE SURVEY IS HERE - PLEASE COMPLETE IT BY FRIDAY 3/18 at 5pm.  
<http://www.surveymonkey.com/r/PTRKMRZ>

Please take a moment (it's literally 5 questions) and answer this survey. As always, we do ask that if you sign up to be on the Committee that you attend regularly, and commit to tasks between meetings when necessary. There are other options in the survey for levels of involvement that don't require that commitment, so check it out and let us know.

Thanks and I'll be in touch with those who sign up with the April meeting info.

Sincerely,  
Jessica

**Subject:** SATURDAY: Join me in East Hollywood

Dalia --

I have an exciting **Councilmember in Your Corner** planned for this weekend in East Hollywood!

As a new member of the Los Angeles City Council in July of 2013, I started this monthly event to bring City Hall and its services to my constituents. Since then, hundreds of volunteers have joined us and our community partners to participate in service projects that improve our communities. The results have been amazing.

My next district walk will take place **Saturday, March 12, 9:30 a.m., at 5301 Sunset Boulevard, at Alfredo's Flower Shop, in East Hollywood.** The event is a chance to meet my constituents, share my appreciation for our local community leaders and small business owners, as well as canvass neighborhoods to distribute important contact information for free city services.

This month, I am partnering with three great organizations to host the event: the Immigrants Charitable Foundation (ICF) community service team, the Los Angeles Beautification Team, and my very own CD 13 Clean Team. I am also anticipating volunteers with IDEPSCA, and Aztecs Rising to join the beautification efforts. All the volunteers will conduct a cleanup of Sunset Blvd from Western to Mariposa Avenues.

I look forward to seeing you at my next **Councilmember in Your Corner** event in East Hollywood. If you want to join us, [please RSVP here](#).

See you then,

Mitch O'Farrell

**From:** Mitch O'Farrell <councilmember.ofarrell@lacity.org>  
**Sent:** Friday, March 11, 2016 5:40 PM  
**To:** Jeff Chodorow  
**Subject:** SATURDAY: Join me in East Hollywood

Jeff --

I have an exciting **Councilmember in Your Corner** planned for this weekend in East Hollywood!

As a new member of the Los Angeles City Council in July of 2013, I started this monthly event to bring City Hall and its services to my constituents. Since then, hundreds of volunteers have joined us and our community partners to participate in service projects that improve our communities. The results have been amazing.

My next district walk will take place **Saturday, March 12, 9:30 a.m., at 5301 Sunset Boulevard, at Alfredo's Flower Shop, in East Hollywood.** The event is a chance to meet my constituents, share my appreciation for our local community leaders and small business owners, as well as canvass neighborhoods to distribute important contact information for free city services.

This month, I am partnering with three great organizations to host the event: the Immigrants Charitable Foundation (ICF) community service team, the Los Angeles Beautification Team, and my very own CD 13 Clean Team. I am also anticipating volunteers with IDEPSCA, and Aztecs Rising to join the beautification efforts. All the volunteers will conduct a cleanup of Sunset Blvd from Western to Mariposa Avenues.

I look forward to seeing you at my next **Councilmember in Your Corner** event in East Hollywood. If you want to join us, [please RSVP here](#).

See you then,

Mitch O'Farrell

Good morning,

This is a friendly reminder that on Tuesday, March 15, 2016, at 10:00 A.M., we are having a meeting to further discuss LEAPS partnering with the California Organized Retail Crimes Association. The meeting will be held at LAPD, Commercial Crimes Division, 100 W. First Street, 5th Floor, Los Angeles, California 90012.

Again I require a count of those who plan to attend. I have been tasked with attempting to arrange parking within the building and need to provide the number of people in order to reserve parking spaces. So far I have three people who have provided an RSVP.

Thanks

Joe

Good afternoon,

There were only three individuals who provided me with their vehicle make, model, color and license plate number. Unfortunately, I was not able to arrange parking within police headquarters. I was able to arrange for those individuals to park at LAPD, Motor Transport Division located at 260 S. Main Street, Los Angeles, California 90012. Please inform the attendant that arrangements were previously made with Mr. Orvin Perez for you to park in visitor's parking.

Should there be any problems, please contact me on my cell: (213) 359-0250.

Thanks  
Joe

**PLAN**  
**re:code**

Visit us at: [recode.la](http://recode.la)

**ACCOMMODATIONS:** As a covered entity under Title II of the Americans with Disabilities Act, the City of Los Angeles does not discriminate on the basis of disability. The public forum facility and its parking are wheelchair accessible. Sign language interpreters, assistive listening devices, or other auxiliary aids and/or services may be provided upon request. Spanish-language translation will be provided, and other languages may also be provided upon request. To ensure availability or services, please make your request no later than three working days (72 hours) prior to the public forum by calling (213) 978-1445.

The Department of City Planning will host a workshop

**on Wednesday, March 16th between 6:00 - 9:00 PM at the Metro Headquarters.**

The Department will be gathering input on the Plan's core principles and strategies, used to develop preliminary plan concepts and implemented by the new Downtown Zoning Code. There will be interactive stations where you can get project details, mark up maps with your thoughts, ask questions, and tell us what you think! An overview presentation will be given near the beginning and will be repeated at the midpoint of the workshop.

The March 16th workshop is the first of 7 regional forums to gather input on the Citywide [re:code LA](#) Initiative. The Downtown Community Plans will have a significant presence at the March 16th event and will also be featured in the following 6 forums, which will take place in varying geographic regions of the City.

### **INTRODUCING DTLA 2040**

The Department has launched a new project website at [DTLA2040.org](http://DTLA2040.org) to serve as your resource for all news related to the **Downtown Community Plan Updates**. Here you can find information about Downtown, the Plan Update process and objectives, related initiatives and public outreach events. Finally this site is a portal for the Department to hear from you.

**DTLA 2040** - *the update to the Central City & Central City North Community Plans and implementation through the re:code LA's new Downtown Zoning Code* - will consider Downtown as we experience it today, but more importantly, will look forward to the Downtown of 2040.

**The ambition of DTLA 2040 is to create and implement a collective vision for Downtown's future.** The Plan will include goals, policies, and programs that frame the City's long-term priorities.

Please share with anyone you know who is interested in the future of Downtown Los Angeles. We hope that you will participate in DTLA 2040 and that you will join us on March 16th!
